

Dear Colleague,

To: All those who have submitted research paper for inclusion in the 100th Conference of the Indian Economic Association

Thank you for submitting your research paper.

It has been decided to ask for soft copy of the papers, as it is extremely difficult to get the refereeing process done with a hard copy.

Therefore, the contributors were requested by email to send a soft copy of the paper for consideration by the IEA.

Attached is the list of papers for which soft copies have already been received as of 13 October 2017, 5.00 pm. Please check the list to ensure that your name is there. If you have already submitted your paper, and your name is not in the list, and also those who are on the verge of submission of papers, you are requested to send a soft copy of the paper as early as possible, and positively within a week's time at ieacentconf2017@gmail.com.
